Hello Fred,

In early spring 2022, EPA Region III will be moving its regional office to 4 Penn Center, 1600 John F. Kennedy Boulevard, Philadelphia, PA 19103. This letter serves as the official notice pursuant to the Partial Consent Decree, attached, from EPA Region III regarding the new address for the EPA Region III regional office.

In anticipation of the move, EPA prefers to receive all deliverables by electronic mail to ensure efficient delivery and filing and is requesting that all future deliverables required by the above-referenced Partial Consent Decree due for submission be sent to EPA Region III by email from today going forward. The contacts for EPA Region III to receive all deliverables required by the Consent Decree are Steve Maslowski at Maslowski.Steven@epa.gov and me at lazos.pamela@epa.gov. In addition, all email for ORC should be sent to r3_ORC_mailbox@epa.gov. Please include in all emails the Docket Number for the settlement document and my name. If any specific deliverable cannot be sent via electronic mail to EPA, please contact me at this email address or at (215) 814-2658 in advance of the time when such deliverable is due to make arrangements for alternative delivery.

I know you have been submitting documents electronically and not by snail mail, but this email makes it official. Please share this with anyone on your team who should be aware of this official change in transmitting documents.

Thanks, Fred, and look forward to our upcoming meeting,
Pam
